

# XTeer Antifreeze

XTeer antifreeze coolant is all-seasonal Antifreeze, produced with high-purity raw material, that has superior anti-corrosion and cooling performance.

**HYUNDAI**  
*XTeer*

## Feature/Benefits

- Outstanding corrosion prevention performance to metals
- Prevents cavitation corrosion
- Helps maintain supreme cooling efficiency

## Application

- All vehicle type engine of Aluminium and cast iron

## Spec. & Performance standard

Type	Phosphate type
Package	3L, 18L, 200L
OEM specifications	JIS 2234, ASTM D3306, ASTM D6210
color	Red
Freezing point (°C)	-37
pH	7.9
Reserve Alkalinity	10.7
